2. The Pan-European Seal Programme Learning Plans for Students

The PES Team in collaboration with the Academy Learning Portal Team have created **two Learning Plans** to address the needs of the students, depending on whether they have an existing IP background or not.

For IP Students

- 18 high-level courses of a vast variety of topics

For non-IP Students

- Basic IP Knowledge of all IPRs

Examples of suggested courses

- Introduction to IPR
- Video gaming and IP: how to play the game
- Blockchain and Intellectual Property
- Street & IP: how do they interact?

- Both learning plans incorporate a list of **compulsory courses** and an additional list of **non-compulsory** courses.
- This extra list consists of even more specialized topics that could be of major interest for the students and the Universities.

- Once the learning plan is completed, the learner receives a **Certificate of Completion.**

2. The Pan-European Seal Programme IP Campus

During their traineeship, our trainees come across various opportunities to **enhance their knowledge of Intellectual Property.**

What is IP Campus?

- ❑ A yearly organized event
- ❑ Our trainees are divided into groups
- ❑ They are assigned to a topic of their choice
- ❑ They have to prepare a presentation on the said topic
 - analyze it (IP perspective)
 - e.g. *Blockchain and IP*

Expected Results

ENHANCE

IP knowledge and soft skills

1. Ability to work in teams
2. Research skills
3. Presentation skills
4. Creativity
5. Socialize with their fellow trainees from other departments

The background of the slide is a grayscale, slightly blurred photograph of a graduation cap (mortarboard) with a tassel. The cap is positioned in the center, and the tassel hangs down from the right side. The lighting is soft, creating a professional and academic atmosphere.

2. The Pan-European Seal Programme Career Event

A one-day event dedicated to help PES trainees find their career path, in the sector they would like, after finishing their traineeship at the EUIPO.

Former trainees

- present their current companies/firms
- provide any necessary information & tips
- how they can manage to follow a successful professional career after their EUIPO traineeship

**3. Further Career Opportunities
EPO Exchange**

The **Exchange Programme** constitutes an **ensuing initiative** of the Pan-European Seal Professional Traineeship Programme, coordinated by the EUIPO and the [European Patent Office](#).

- ❑ It allows PES trainees currently working at the EUIPO to apply for an **exchange opportunity** and **second traineeship** at the EPO, as well as allowing EPO PES trainees to apply for an exchange traineeship at the EUIPO.
- ❑ If accepted, they receive a **12-month traineeship** offer at the EPO premises, which starts as soon as they **complete** their traineeship at the EUIPO and vice versa.

- ❑ broaden the scope of their academic background and the knowledge they gained from their first traineeship in their field of expertise
- ❑ increase their networking opportunities

The EPO examines European **patent applications**, enabling inventors, researchers and companies from around the world to **obtain protection** for their inventions in up to 44 countries through a centralised and uniform procedure that requires just one application.

3. Further Career Opportunities Talent Bank

*EUIPO cares not only about the **present** of its people, but also for their **future** as well.*

Talent Bank

- ❑ It is an **online tool** that allows **associated** and **private** partners to **offer traineeships** or **job opportunities** to Pan European Seal alumni.

How TB Works:

- ❑ As soon as PES trainees complete their traineeship, they gain access to the Talent Bank Platform.
- ❑ There they are able to upload their CV alongside any other related documents and create an account and apply

- Law Firms
- Universities
- Companies & Consultancy
- Organisations & Institutions

The PES Talent Bank platform aims to gather a community of talented professionals (the PES Alumni) specialised in a wide range of knowledge areas from Intellectual Property Law to Communication, IT, and Finance among others.

The background of the slide is a grayscale, slightly blurred photograph of a graduation cap (mortarboard) with a tassel. The cap is positioned in the center, and the tassel hangs down from the right side. The lighting is soft, creating a professional and academic atmosphere.

3. Further Career Opportunities Hosting Programme

What is it?

- ❑ **IP Offices (IPOs) host EUIPO trainees at their premises.**

Purpose

- enhance knowledge sharing between the Offices
- allow trainees to get exposure to different working contexts
- while supporting the IPOs and gathering information on the use of IP rights by local companies and users.

**2020/21
Pilot Edition**

**3
months
at the
EUIPO**

**3 – 6
months
at IPOs**

 **SME fund**

If a National IP Office wishes to participate

They would need to **confirm** their interest **by replying** to the invitation letter and indicating the following details:

- **Trainees profiles requested**, including educational/professional background (e.g. IP, general law, IT, communication etc.), according to your Office's needs.
- **EU Languages needed** (working level required for a hosting programme at their Office).
- **Duration of the hosting period** of the trainees at their Office (minimum 3 months – maximum 6 months).
